## What's on the Horizon? - New PHS Guidelines and Multiorgan Transplants

In an ever-changing transplant landscape, it's important to discuss hot topics that are on the horizon for transplantation. Join us as we review the new OPTN changes to the PHS guidelines and considerations for making multi organ transplantation successful.

### At the end of the webinar, participants should be able to:

- **Discussion of selection criteria for multi-organ transplants.**
- **Discuss considerations for establishing multi-organ clinical protocols for post-transplant management.**
- **Discussion of psychosocial and financial considerations for multi-organ transplant listing.**
