The Alliance Introduction to Organ Donation and Transplantation Textbook is an anthology of essays written by renowned experts in the field, including intensivists, healthcare professionals, legal practitioners, communications experts and donor families. Each chapter appears in the style and vernacular of its respective author and demonstrates their years of invaluable experience. The goal of this publication is to provide the reader with a comprehensive scope of understanding in the field of donation and transplantation, as well as stimulate insightful conversation and critical thinking.

All Professional Partnership benefits are applied from January 1, 2022 - December 31, 2022.

<sup>1</sup> Bronze Circle (formerly Discovery Level) is a one-time introductory level for first-time Professional Partner organizations. While this opportunity carries limited benefits, it is intended to provide introductory access to The Alliance's diverse programs and learning solutions. Current Professional Partners are exempt from this option.

<sup>2</sup> OnboardingU offers a bulk discount for organizations seeking to simultaneously enroll multiple users. Contact info@odt-alliance.org for further information.
